Nate,

I will bring this up with our team. You must know that parking is horribly tight in the business district for those who have parking. We just don't have a lot to share. That, said honestly but with sadness, I will follow up with our team to see if we can come up with any helpful input. Bob Smith and the guards are doing the job we pay and instruct them to do, so I hope this doesn't reflect badly on them.

Subject: WISH Charter - Parking

Hey Miki and Don,
I'm pretty sure that Bob Smith runs the parking lot adjacent to WISH Charter School, but I know you guys are connected to him. The poor students and parents at WISH are getting harassed by the parking attendants in the lot across the street from the school.

Is there some way we can work out an agreement to let these folks park? WISH is such a great asset to this community, and we've always been really supportive of their efforts. We hear nothing but great things about them.

Thanks,

-Nate
